

EC VET Research Award 2018

Fields marked with * are mandatory.

Proposals for VET Research Award 2018

The 3rd European Vocational Skills Week will be organised from 5 to 9 November 2018. As part of the European Vocational Skills Week 2018, the European Commission (Directorate General - Employment, Social Affairs and Inclusion) will organise a VET Excellence awards celebration, which will be organised in Vienna, Austria, during which nominations for a series of awards will be highlighted.

The VET Research Award aims to reward an outstanding VET research project, a research team or an individual researcher who has made an outstanding contribution to innovative thinking in VET, including initial and higher VET, continuing VET, adult learning and career-long professional learning.

The organisation of the VET Research Award

The European Research Network in Vocational Education and Training (VETNET) has been appointed to manage the call for proposals and the nomination process.

It invites VET researchers and other VET professionals to propose a project, a research team or a person for the VET Research Award.

All applications need to be in English. Self-nominations are not possible.

Timetable

24 August, 23:59 CET

To hand in applications use the following link:

<https://ec.europa.eu/eusurvey/runner/VETAWARD2018>

September

Selection and nomination of the best two candidates to the attention of the European Commission

October to November

Public online voting organised by EU services

8 November

Presentation of both candidates for the VET research award and nominees for the other awards during the Award Nominees Celebration

9 November

Announcement of 2018 European Vocational Skills Week Awards winners

Selection committee

The selection committee is composed of international experts in VET research from VETNET and

established VET journals. If experts involved in the evaluation process are nominated, they will withdraw from the committee.

There will be no correspondence about the proposals and the nomination by the selection committee. If the selection committee needs more information, they will contact either the proposer or the project/team /person proposed.

Please contact Prof. Dr Barbara E. Stalder, Chair of the Selection Committee; barbara.stalder@phbern.ch for any further information.

* I accept your Terms

Name and address of the person proposing a project, team or person
